Sports 4 All Foundation 4th Annual Equipment Drive

Nashville-Sports 4 All Foundation (S4AF) is pleased to announce the dates for the 4th annual equipment drive. This year the event will be held October 30th and 31st in front of Neptune Diving and Ski located at 5827 Charlotte Pike, Nashville, Tennessee 37209.

S4AF's mission: *to improve the quality of life of individuals with disabilities by providing funding, equipment, programming and education to enable full participation in sports and recreation activities.* The equipment drive supplies Sports 4 All with more athletic equipment to grant to athletes with disabilities. Kris, the founder, was amazed, while attending sporting events for people with disabilities, that the athletes did not have the proper equipment, so she created Sports 4 All Foundation.

“We are so pleased that the equipment drive is in its 4th year,” Kris said, “Every year the drive brings in more equipment allowing S4AF to grow its mission and programs.”

Sports 4 All Foundation accepts new and gently used donated sports equipment and puts it back into the community through collaborations with non-profits serving those with disabilities to improve their quality of life. S4AF has provided equipment and funding to 24 agencies in 14 counties serving over one thousand people with disabilities combined.
