### **Sports 4 All Foundation and the Nashville Predators Equipment Drive**

**Nashville-**Sports 4 All Foundation (S4AF) is partnering with the Nashville Predators and sponsoring an equipment drive Jan. 10, 2009 beginning at 6:00 p.m. at the Sommet Center. Fans can bring new and gently used sports equipment to the entrances, and a portion of the ticket sales will be donated to S4AF.

S4AF's mission: *to improve the quality of life of individuals with disabilities by providing funding, equipment, programming and education to enable full participation in sports and recreation activities.* The equipment drive supplies Sports 4 All with more inventories to grant to athletes with disabilities. Kris, the founder, was amazed, while attending sporting events for people with disabilities, that the athletes did not have the proper equipment, so she created Sports 4 All Foundation.

"We are honored that the Predators are partnering with S4AF for this equipment drive," Kris said, "When we were chosen as one of the Predators feature charities, we were thrilled to have such a wonderful ally to help us raise awareness about our mission."

"The Predators Foundation selects four charities each year, as part of its annual grant process, to be featured charities during the upcoming year. Throughout the year, the Predators Foundation works with each of the feature charities to provide additional resources and recognition with the hopes of raising each organization's profile throughout the community. Sports 4 All Foundation is one of the 2008-09 feature charities and was selected on the basis of past involvement with the Predators Foundation and the Foundation's desire to impact Sports 4 All Foundation in ways that go beyond a financial grant," Gerry Helper, Predators Foundation, President, said.

Fans can purchase tickets by contacting Chris Harrington by phone: 615-770-7814 or email: [charrington@nashvillepredators.com](mailto:charrington@nashvillepredators.com) or through the S4AF Web site: [www.s4af.org](http://www.s4af.org), just click on the link, fill out the form and send it to the Predators.

-MORE-

Sports 4 All Foundation takes new and gently used donated sports equipment and puts it back into the community through collaborations with non-profits serving those with disabilities to improve their quality of life. S4AF has provided equipment and funding to 14 agencies in 9 counties serving over one thousand people with disabilities combined.
